

What is IOGT-NTO?

We are Sweden's largest temperance movement and have no political or religious ties. Anyone wishing to live a life that is free of drugs and alcohol and that shares our view that all people are equal is welcome to become a member of our organisation.

IOGT-NTO works with alcohol and drug policies as well as social work and preventive measures. Every year, we carry out a number of projects, seminars, campaigns and training courses but our aim is to do more, to reach out to more people and to become more visible. Together we can do this!

What does being a member of IOGT-NTO involve?

Being a member gives you the opportunity to make a difference and to make new friends, take part in new activities and enjoy new experiences. If you share our view that everyone is equal and if you want to live an abstinent lifestyle, then you are welcome to become a member.

As a member you are welcome to become part of our community. If you wish, you can become an active member within any of our fields of work or even become involved in one of our local organisations.

It is up to you to decide just how many of our events you wish to attend. We hold many activities across the country and you are sure to find something that you are interested in or even have a passion for.

How do I become a member?

All you need to do is sign a membership oath where you promise to lead an abstinent lifestyle and that you share the IOGT-NTO Movement's principles and programmes. You will find the form on the next page. After you have signed it, fold and tape it and send it to IOGT-NTO. The address is preprinted and the postal fee is prepaid.

After that you will receive a letter with information about IOGT-NTO. The membership fee is 50 SEK for the first year and thereafter 150 SEK per year.

Should you have any questions, you can call our service centre for members on 08-672 60 38 or email medlemsservice@iogt.se.

Accent magazine – a perk for members!

When you become a member you will also receive ten issues of IOGT-NTO's members' magazine Accent annually.

Accent is Sweden's largest magazine about sobriety, alcohol and other drugs and it follows developments in those areas both in Sweden and internationally. Accent also has its own website: accentmagasin.se.

We are looking forward to welcoming you as a member of IOGT-NTO!
